MUHAMMAD SUHAIB RAZA JUNAID

PROFESSIONAL SUMMARY

Versatile software developer with expertise in JavaScript, React, Next.js, and Node.js, specialising in front-end and back-end frameworks. Proficient in SQL database design, REST API integration, and Firebase technologies, with a strong focus on coding standards compliance and version control practices. Demonstrates advanced mathematics skills and mobile UI design capabilities, including React Native development. Dedicated to creating seamless API integrations and scalable solutions while pursuing opportunities to contribute to innovative software projects.
